**ONE SURFACE.
MANY SHADES.**

ENDLESS POSSIBILITIES.

CERA
Tiles

LUCIDO
Digital Glazed Vitrified Tiles

ONE SURFACE.

The CERA GVT Collection is no ordinary set of tiles. Inside each box of these tiles, lies an opportunity - to think out of the box. It's one surface, with the talent of several.

MANY SHADES.

The only predictable aspect of this collection is that it's unpredictable - just like how designs in nature never cease to enchant us, surprise us. Warm grains of wood? Done. Charm of Natural Stone? Done. The stately grace of Marbles? Done. The CERA GVT collection muses upon nature, and surpasses it in performances.

ENDLESS POSSIBILITIES.

It's a collection that talks about the freedom of choice and truly means it. Picture 3 different sizes - 60x120, 20x120 and 60x60 cm. Add to this there are 7 finishes, 6 surfaces, and over 200 designs to choose from. It's collection designed to overwhelm the modern designer, with everything.

LUCIDO
Digital Glazed Vitrified Tiles

4+ Designs

You could say, we love spoiling our patrons with choice. Because we believe only Cera GVT can realise the true potential of any design.
